

## **2019 Spring Camp – One Mile Beach Caravan Park Saturday 19 October 2019 – Saturday 26 October 2019**

Dear TDCC Member.

Your committee are pleased to announce our Spring Camp for 2019, 19 Oct 2019 – 26 Oct 2019, will be based at Ingenia Holidays - One Mile Beach Caravan Park, Anna Bay, located at: 426 Gan Gan Road, One Mile Beach. Phone 02 4982 1112. This is approximately 1 hr to 1 1/2 hours' drive north of Toukley.

Costs are as follows: For cabins for 2 adults will be about \$1173 for the week and a caravan powered site for 2 adults \$345 for the week. Price for camper and tent sites on application. When booking I suggest you ask if there is any discount for a 7 night stay.

FOR EXAMPLE, ONE MEMBER HAS ALREADY BOOKED A MID WEEK SPECIAL AND GOT A RATE OF \$90.00 PER NIGHT, THOUGH EXPECT TO PAY MORE FOR THE WEEKEND NIGHTS.

The timing of this camp will allow participants on the Bike Barge Tour in Europe to attend and we hope will allow those members who want to drive up for the day or stay for one or more nights to attend also.

The terrain around Anna Bay is largely flat and we anticipate developing rides for all three groups as well as one extended length run up to 100 kilometres. Nelson Bay is not far away and besides cycling there are plenty of activities for riders and non-riders alike. e.g. Kayaking, Whale watching.

PLEASE NOTE: It is recommended you bring a Bicycle rack since we anticipate running rides that start and finish from a location away from our base at Anna Bay.

There is a bicycle shop in Nelson Bay for spares, repairs and a range of bicycles for hire.

Your committee look forward to hosting what we anticipate will be a highly successful Spring Camp at Anna Bay.

To assist us with our planning it would be helpful if you could advise any committee member of your intention to attend.

See you at the Bay!

Ralph Creswell and Committee
